There are four alternatives for the answers to every question. **For each question for which a wrong answer has been given by the candidate, one-third (0.33) of the marks assigned to that question will be deducted as penalty.** If a candidate gives more than one answer, it will be treated as a wrong answer even if one of the given answers happen to be correct and there will be same penalty as above for that question. If a question is left blank i.e. no answer is given by the candidate, there will be no penalty for that question.
